Summer School Camp Sessions

All summer camps are created on a base of STEAM learning: Science, technology, engineering, art and math! The children will learn through creating, listening, playing and interacting with their peers! Each camp will have a theme, and through those themes we will explore our world, our imaginations and intellect!

Summer Fun! June 24-28th: A week filled with classic summer fun! Chalk, bubbles, water play, and more!

Beautiful America July 1-3rd: We will spend three days learning about the different parts of America! From the mountains, to the valleys, to the oceans and big cities! We will explore many beautiful things as we head into celebrating the 4th of July.

Dinosaurs July 8 - 12th: From tyrannosaurus to pterodactyls, we will explore the world of dinosaurs! Learning about fossils, what they ate, and where they lived!

Space July 15 - 19th: Blast off into a world of exploration! Planets, stars, stomp rockets! So much to explore!

Hawaiian Days July 22 - 26th: Aloha! We will be learning all about the beautiful and rich traditions of the Hawaiian Islands! From animal life, to traditional songs and even dances!

Around the world July 29 - August 2nd: The world is a big, big place full of so many amazing cultures! We will spend the week learning about cultures from all around the world!

Ocean Life August 5 - 9th: We are taking sail upon the deep sea this week! Whether we be pirates, or mermaids, we will explore the deep blue! Learning about reefs, tides, and animals!

Art & Music August 12 - 16th: Painting, clay, or playing instruments - we will be exploring various art and musical forms this week!

Construction August 19 - 23rd: Can we build it? Yes we can! Legos, foam bricks, wooden blocks - we are going to be building all the things our imaginations can create!
